THIS LAND IS YOUR LAND

(USA version)

This land is your land, this land is my land From California to the New York Island. From the redwood forest to the Gulf Stream waters:

This land was made for you and me.

As I was walking that ribbon of highway I saw above me that endless skyway; I saw below me that golden valley; This land was made for you and me.

This land is your land, ...

When the sun came shining, and I was strolling, And the wheat fields waving and the dust clouds rolling,

As the fog was lifting a voice was chanting; This land was made for you and me.
