Brian Peterson, Minnesota State of Wonders"

Brian Peterson, a 30 year career photojournalist with the Star Tribune, gave an excellent presentation about the book *Minnesota State of Wonders*, which he and fellow Star Tribune journalist Kerri Westenberg recently produced and published. The book showcases Minnesota's natural beauty and how Minnesotans experience it. All of the photographs were taken by Brian Peterson, some of which include photos and articles first published in the Star Tribune Newspaper. The book revolves around Minnesota's four seasons: Winter in the Arrowhead Region, Spring in the Northwest, Summer in the Southwest, and Autumn in the Southeast Bluff Region. Brian employed all available photographic tools in producing this book including still photography, drone photography, time lapse photography, and videos. *Minnesota State of Wonders* is a treasure and it, together with any archival prints contained in the book may be purchased online at www.stateofwonders.com. Brian, thank you for this exceptional photographic tribute to our marvelous State.

BATTLE HYMN OF THE REPUBLIC

Mine eyes have seen the Glory of the coming of the Lord;

He is trampling out the vintage where the grapes of wrath are stor'd;

He hath loos'd the fateful lighting of His terrible swift sword;

His truth is marching on;

Glory, glory hallelujah! Glory, glory hallelujah! Glory, glory hallelujah!

He has sounded forth the trumpet that shall never call retreat;

He is sifting out the hearts of men before His judgment seat.

Oh, be sift, my soul, to answer Him! be jubilant, my feet!

Our God is marching on. (Repeat Chorus)
