WBL Rotary Club Celebrates 4:01 on Fridays –  
at Rudy's. Join us for end-of-week social time  
with Rotarian friends.

**ANNOUNCEMENTS**  
**#IMAGINE ROTARY**

**President Bob** shared the #Rotary happen-  
ing of the week about the Kirkwood, Mis-  
souri Rotary Club. They have a long tradi-  
tion of a 5K, 10K, 1 mile family fun run  
called the Rotary Ramble. Find out more  
about it at [www.rotaryramble.org](http://www.rotaryramble.org).

**Jim Rathburn** announced that we will  
again be doing our annual clothing drive  
for White Bear Lake Area Education Foun-  
dation, The Closet. Jim teased that there  
will be a unique opportunity for club mem-  
bers that donate money or gift cards so stay  
tuned.

Koya Matsuda, our 2022 exchange student  
from Japan, has arrived. Please consider  
inviting him to spend time or share your  
interests with him, e.g., baseball games—  
he really likes baseball; hockey; cookouts;  
camping; celebrations; special outings that  
you enjoy.

**Your club needs YOU!!!** We are in need  
of a couple people to be Bulletin writers.  
No experience necessary. The writer takes  
notes from the weekly meetings (usu.  
scheduled every 6 weeks), send to Marlyce  
for final editing for the weekly Bulletin.  
You can get an additional attendance credit  
for this!

# Taste of White Bear Lake

**TASTE OF WHITE BEAR LAKE 2022 was a huge success!** After a  
couple challenging years due to the pandemic we were able to go back to  
our regular format and pull off a great event. The sunny and 70 degree  
weather helped!

We received so many compliments on the food/drink vendors and the band.  
We exceeded our ticket sales and sponsorship fundraising goals and I'm  
excited to report final numbers in the coming weeks.

I can't thank you all enough for coming together as Rotarians to help make  
the 2022 Taste of White Bear Lake a success.

Ashley Filipovich  
Chair, 11th Annual Taste of White Bear Lake

**STRIVE RACES**

**Run for the Apples**

**Saturday, October 22, 2022**

**IMAGINE  
ROTARY**

**PROGRAM FROM MEETING OF 9/07/22:**  
**Patty Hall presents: Jenny Andrews, Executive Director for**  
**Malaria Partners, International**

Jenny is a long-time Rotarian and past president of the Bellevue Breakfast Rotary Club. She combines extensive non-profit development leadership with private sector entrepreneurial experience. She has a degree in Biological Science Education and a Master’s degree in Business Administration.

Malaria Partners, International was founded by Rotarians and much of its board consists of Rotarians. There are 247 million cases of Malaria in the world every year, 627,000 deaths with 94% of cases occurring in sub-Saharan Africa. Most victims of the disease are young children. Malaria causes extreme anemia and is very deadly, but at the same time preventable, and is easily treated. It is spread by the bite of a female mosquito when the mosquito bites an infected person and then bites someone else. The person’s liver gets infected which affects their red blood cells, causing anemia. Treatment consists of taking two pills three times a day for three days. This eliminates the parasite and protects the person for three months. In Africa, medication supply chain issues are a major problem and causes hoarding and shortages.

Prevention and treatment includes a three-pronged approach. First is vector control where insecticide is used in bed nets and in the community and then cleaning up the environment to eliminate breeding sites. Second is education and trying to overcome illiteracy and false belief systems about causes of the disease. Third is training and empowering community health workers to do door-to-door testing and treatment where needed most. MPI is working to get everything that community health workers need to fulfill their role in preventing and treating the disease and much help comes from World Vision, The Gates Foundation, and many other organizations who provide small grants to the program. The current president of RI, Jen Jones recently spent ten days in Zambia with MPI and is really behind their mission. MPI is looking to build a strong Rotary support system for not only Zambia and Uganda, but also 10 or 12 other African countries. They educate about diarrheal diseases and pneumonia also. MPI is helping to save lives but is working towards eradication of Malaria. Although vaccines will not solve the problem right now, a lot of research is being done. See [www.malariapartnersinternational.org](http://www.malariapartnersinternational.org) for more information.

*Writer of the week: Darrell Stone*

Thought of the week:  
“I declare before you that my whole life whether it be long or short shall be devoted to your service.”  
- Queen Elizabeth II  
Britain’s longest reigning monarch  
1926-2022

**ROTARY FOUR-WAY TEST:**  
⇒ Is it the truth?  
⇒ Is it fair to all concerned?  
⇒ Will it build good will and better friendships?  
⇒ Will it be beneficial to all concerned?  
⇒ IS IT FUN???
